## WHO WE ARE

Travel is not only about the places we discover, but also the people we meet along the way. Knowing that we are welcome wherever we are, feeling that the world is our home – that is the ultimate goal.

We are The Independente. An alliance of travelers, adventurers, and pioneers in search of new paths to walk, borders to cross, and friends to make. The Independente is the fruit of the imagination of four siblings – avid travelers who envisioned a different concept of hospitality, where visitors and locals come together to share stories, experiences, and memories.

## THE GROUP

The Independente was established in 2010 and began operating in September of the following year.

Currently, we have four properties in operation: The Independente Príncipe Real and The Independente Bica, located in two of Lisbon's most attractive historic neighborhoods; The House of Sandeman on the Ribeira de Gaia; and The Independente Comporta on the Alentejo Coast.

Each property has its own unique restaurant concepts, and together they represent a total of 500 hotel beds and around 550 restaurant seats. The group employs more than 200 people and welcomes 250,000 guests every year.

Our ambition is to consolidate The Independente as the national benchmark brand in creative hospitality.

**Independente Comporta** spans 12 hectares of land with 24 patio villas and a hotel featuring 40 rooms at its center. The villas range from studios to five-bedroom houses, while the hotel rooms are primarily doubles with private patios. Twelve of these rooms are adjacent and can be interconnected to create family rooms or master suites.

The main building, designed as an open space, will host the hotel's signature restaurant, Maroto, where we playfully reinterpret Alentejo's gastronomy. At Maroto, guests will also find an innovative wine list

focused on grape health, contemporary cocktails inspired by the region, and a selection of specialty coffees.

On the terrace of the adjacent building, our pool area offers a complementary space with pizzas and grilled dishes, accompanied by drinks and music to complete the experience.

A regenerative spa provides a vital trinity of support – osteopathy, personal training, and nutritional counseling. Naturally, professional massages and locally inspired treatments are essential, and we are no different.
